**Subject:** Autocar Service Parts Warehousing & Logistics Changes

In order to better serve you, our customers, **Autocar Parts** is pleased to announce that we have entered into an agreement with UPS Supply Chain Solutions to perform all of **Autocar's** warehousing and logistics activities.

This change will be effective 11/29/2010. **Autocar** will discontinue operations at its current locations on 11/24, the Wednesday before Thanksgiving. **Autocar** will resume operation at its new facilities on 11/29, the Monday after Thanksgiving. Stock orders placed on 11/23 and 11/24 will be shipped on 11/29 from our new provider. Truck down and emergency orders will be shipped on a same day basis as usual, without interruption.

Our toll free number will remain the same, but as of 11/29/10 our fax number will be: 630-653-7457

We thank you for your continued business and look forward to a bright future in 2011!

Sincerely,

Kyle Bailey  
National Parts Sales Manager
