Obsession Magnificent

Welcome to Obsession Magnificent,
the official Billy Mackenzie/Associates fanzine.

Issue 1 becomes available in June 1999. It will be an A1 fold-out, full colour glossy magazine that will feature a fully illustrated discography, the full unedited interview from 1994 with unpublished photographs.

Future issues will include exclusive interviews with ex-Associates Alan Rankine and Michael Dempsey, Paul Haig and other collaborators, as well as an unreleased tracks guide and rare photographs.

There are several things in the pipeline: the Mackenzie estate have finally signed to V2 and Fourth Drawer Down will be released in Autumn 1999. Within the next 18 months Sulk will follow, then the Auchterhouse reunion demos recorded with Alan Rankine, a Rarities collection and a new Best-of package! Paul Haig and Billy's Outerpol project looks set for release sometime in the future.

Also in the early research stages is a television documentary, but this is yet to be officially commissioned.

If you want to be part of Obsession Magnificent and receive the fanzine, fill out the tear-off form and send it to the above address along with your payment.
